WHY CHOOSE DR. JAY MARTIN'S SUPER SOCCER CAMP?

Dr. Jay Martin's Ohio Wesleyan teams have been traditionally founded on high technical ability, tactical awareness, superior fitness, discipline and passion to play the game. Because of this, Martin's Ohio Wesleyan teams have:

- **Won more games than any other program, regardless of NCAA division, since 1980**
- **A record of 566-111-47 for a winning percentage of 81.4%**
- **Competed in 30 of the last 33 NCAA Tournaments (NCAA Record)**
- **Set the NCAA record for consecutive tournament appearances**
- **Had 29 players get drafted professionally**
- **Had 19 players play overseas in Europe and Australia**

By attending Super Soccer Camp your son will be put into an environment where development is our highest priority, as it is with Ohio Wesleyan men's soccer. Development happens when players are put into an environment that is challenging, motivating, rewarding and **fun** - an environment that your son will be a part of by attending camp! Dr. Martin's style of teaching will provide the means to develop the proper techniques and habits for becoming a truly competitive soccer player. All teaching is done in small groups that allow for each player to be given ample individual instruction.

ACTIVITIES

This is a soccer camp - we train in soccer all day long. On the field there is a session in the morning for technique, a session in the afternoon for tactics and there is a competition in the evening. Campers are divided into groups by age and ability level and play in small sided games. From Dr. Martin's experience he has found that fun is based on competition. With that in mind many activities will be counted and scored from skill competitions to a camp team tournament and 3v3 challenge.

Dr. Jay Martin, Camp Director

The Super Soccer Camp is under the direction of Dr. Jay Martin. How broad is Martin's record of service to soccer? Come up with any combination of level (high school, college, professional) and function (player, coach, administrator) and he's probably done it.

Consider the following:

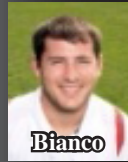

- Martin's record in 33 years is 566-111-47.
- Martin was the fastest coach to 500 wins in NCAA soccer.
- Competed in 7 NCAA Final Fours
- 1998 NCAA Division III National Champions
- Currently the winningest active coach in college soccer.

With all that he has achieved Martin is most proud of contributing to Ohio Wesleyan's long tradition and consistency of success. Under Martin's leadership the program has averaged 17 wins and only 3

Martin calls having fun the key. "Of course, to have fun you have to do your best," he adds, "and it helps to do so against the best competition."

losses a season over the last 30+ years. He favors a skillful, ball-control game where movement off the ball is key and rates his players as "first-class athletes and men."

Super Soccer Camp Staff

Bianco

The Super Soccer Camp staff is committed to making sure each player learns about the game of soccer while working hard and having fun. Our coach to player ratio of better than 1:8 ensures campers receive the individual attention they need and deserve.

Kaszubski

Joining Dr. Jay Martin on the 2010 camp staff will be Ohio Wesleyan Men's Assistant Coaches Brandon Bianco and Drew Kaszubski. Additional staff members will include OWU current players, who contributed to a 18-2-2 2009 record and an NCAA Division III #1 ranking, and other collegiate players and coaches from various institutions.

SUPER SOCCER CAMP STORE & BANK

To eliminate the need to carry cash, the Super Soccer Camp operates a "camp bank." Campers are asked to deposit money (average \$40) into the camp bank during check-in. Then, throughout the week, campers have the option of purchasing ice cold sport drinks, water, snacks, pizza (at night) and Team OWU adidas gear from the camp store. The camp staff will record all purchases and tell campers their daily balance. At the conclusion of camp the balance is returned to the camper.
